**Allowable subject matter**

Claims 1-14,16-21, 23 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art neither discloses nor suggests the following limitations, in combination of the remaining elements disclosed in the corresponding independent claims:

- A light source data storage device permanently integrated with the light generator and operatively coupled to the sensor, for storing operational parameters data correlated to the operational parameters of the light generator such as required by claims 1, 4, 11;
- A light source data storage device permanently mounted to the housing wherein the data storage device is adapted to receive and store operational parameters data from the controller when the light source is operatively coupled to the light emitting device such as required by claim 6;
- A light emitting device comprising a socket adapted to releasably engage the light source connector, wherein the socket is mounted to the device housing, a controller for retrieving the operational parameters data from the light source data storage device, wherein the controller is operatively coupled to the socket, wherein the operational parameters comprise at least one type of data selected from the group of data correlated to: run-time and light generator temperature such as required by claim 14;

- A non-volatile light source data storage device inseparably integrated with the light generator, wherein the non-volatile data storage device is configured to store operational parameters data such as required by claim 18.

.Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

#### **Remarks**

Applicant alleges an Information Disclosure Statement has been filed on August 2, 2002, however, no IDS filed in August, 2002 has been found in the application. Applicant is respectfully encouraged to re-submit the IDS along with the certificate of mailing.
